

Worksheets - topics for speaking exam in school profile exam

Each student will get a worksheet with the topic for part 1, the pictures for part 2 and the theme for discussion for part 3. They will then have 15 minutes to prepare for the 15 minute long oral assessment.

Aids:

Bilingual dictionary

Notes:

For all part 2 sections, there will be an expectation that the student connects the theme to at least one anglophone country or culture and the Czech Republic.
